

Real Smart Logistics (Thailand) Co., Ltd

1. About Us

Real Smart Logistics (Thailand) Co., Ltd

Established in 2025, is a leading comprehensive logistics service provider headquartered in Thailand with global reach. With our commitment to "Real Solutions, Smarter Logistics," we excel in providing integrated air, sea, and land transportation services, with particular strengths in sea freight, oversized cargo handling, and cold chain logistics. Our extensive network, cutting-edge technology, and professional expertise enable us to deliver tailored supply chain solutions across diverse industries.

2. Our Strength

One–Stop Service

We provide comprehensive door-to-door logistics solutions, integrating services from cargo collection to final delivery through our professional team. A single dedicated customer service representative manages the entire process, eliminating the need for multiple service providers. This streamlined approach ensures seamless operations while improving efficiency and reducing costs.

Worldwide Coverage

Leveraging our strong global partner network, our service network extends to major ports, airports, and logistics hubs worldwide. Through cooperation with quality carriers, freight forwarders, and customs agents globally, we deliver comprehensive logistics services. Whether on major trade routes or emerging markets, we ensure safe and timely delivery of goods.

Professional Team

Our core team consists of industry experts with extensive international logistics experience. Team members are proficient in international freight operations and deeply familiar with port policies and regulations worldwide, enabling professional logistics consulting and solutions. The team adheres to a "customer-centric" philosophy, providing 24/7 support services.
